

## Education and Outreach Coordinators Meeting

Wednesday, September 12, 1:00PM-4:30PM in NanoES 391

1:00 – 1:10	Welcome	Quinn Spadola, SENIC
1:10 – 2:40	Evaluation and Assessment Workshop	Mary White, ASU

The goal of the NNCI evaluation working group is to support sites as they manage evaluation studies and use results for more effective programs. The objective of this session is to build awareness of and capacity for E&O evaluation. The workshop is targeted to E&O Coordinators and other NNCI staff interested in designing and delivering effective program evaluations. The workshop is structured to include resource sharing, hands-on activities, and technical support. The focus is on the development of an evaluation design for participants' own projects.

Dr. Mary White is a research professional within the College Research & Evaluation Services Team (CREST) at Arizona State University. Her expertise is in evaluation design, mixed methodology, and STEM education research. She is a long-standing member of the American Educational Research Association, the American Evaluation Association, the Arizona Education Research Organization, and the Arizona Evaluation Network.
