

# Photonic and Electronic Devices @UW Electrical and Computer Engineering

Our nationally top-ranked graduate program admit students with majors in Electrical Engineering, Physics, Applied Physics, Material Science and Engineering, Nanoengineering, Applied Mathematics.

## Areas

- Integrated Photonics
- Optoelectronics
- Micro/Nanoelectronics
- MEMS
- Nanobiotechnology
- Quantum Information Science and Technology

## Faculty

- [M.P. Anantram](#)
- [Karl Böhringer](#)
- [Bruce Darling](#)
- [Kai-Mei Fu](#)
- [Scott Dunham](#)
- [Mo Li](#)
- [Lih Lin](#)
- [Arka Majumdar](#)
- [Alex Mamishev](#)
- [Matt Reynolds](#)
- [Joshua Smith](#)
- [Denise Wilson](#)

All admitted Ph.D. students will receive funding for all years of academic study.
